Computerised Maintenance Management Software (CMMS)

Improsglobal

Introduction to Improsglobal

Software Design and Development

Software Experience

10+ Years

Software Installations

100+

Software Implementation Support
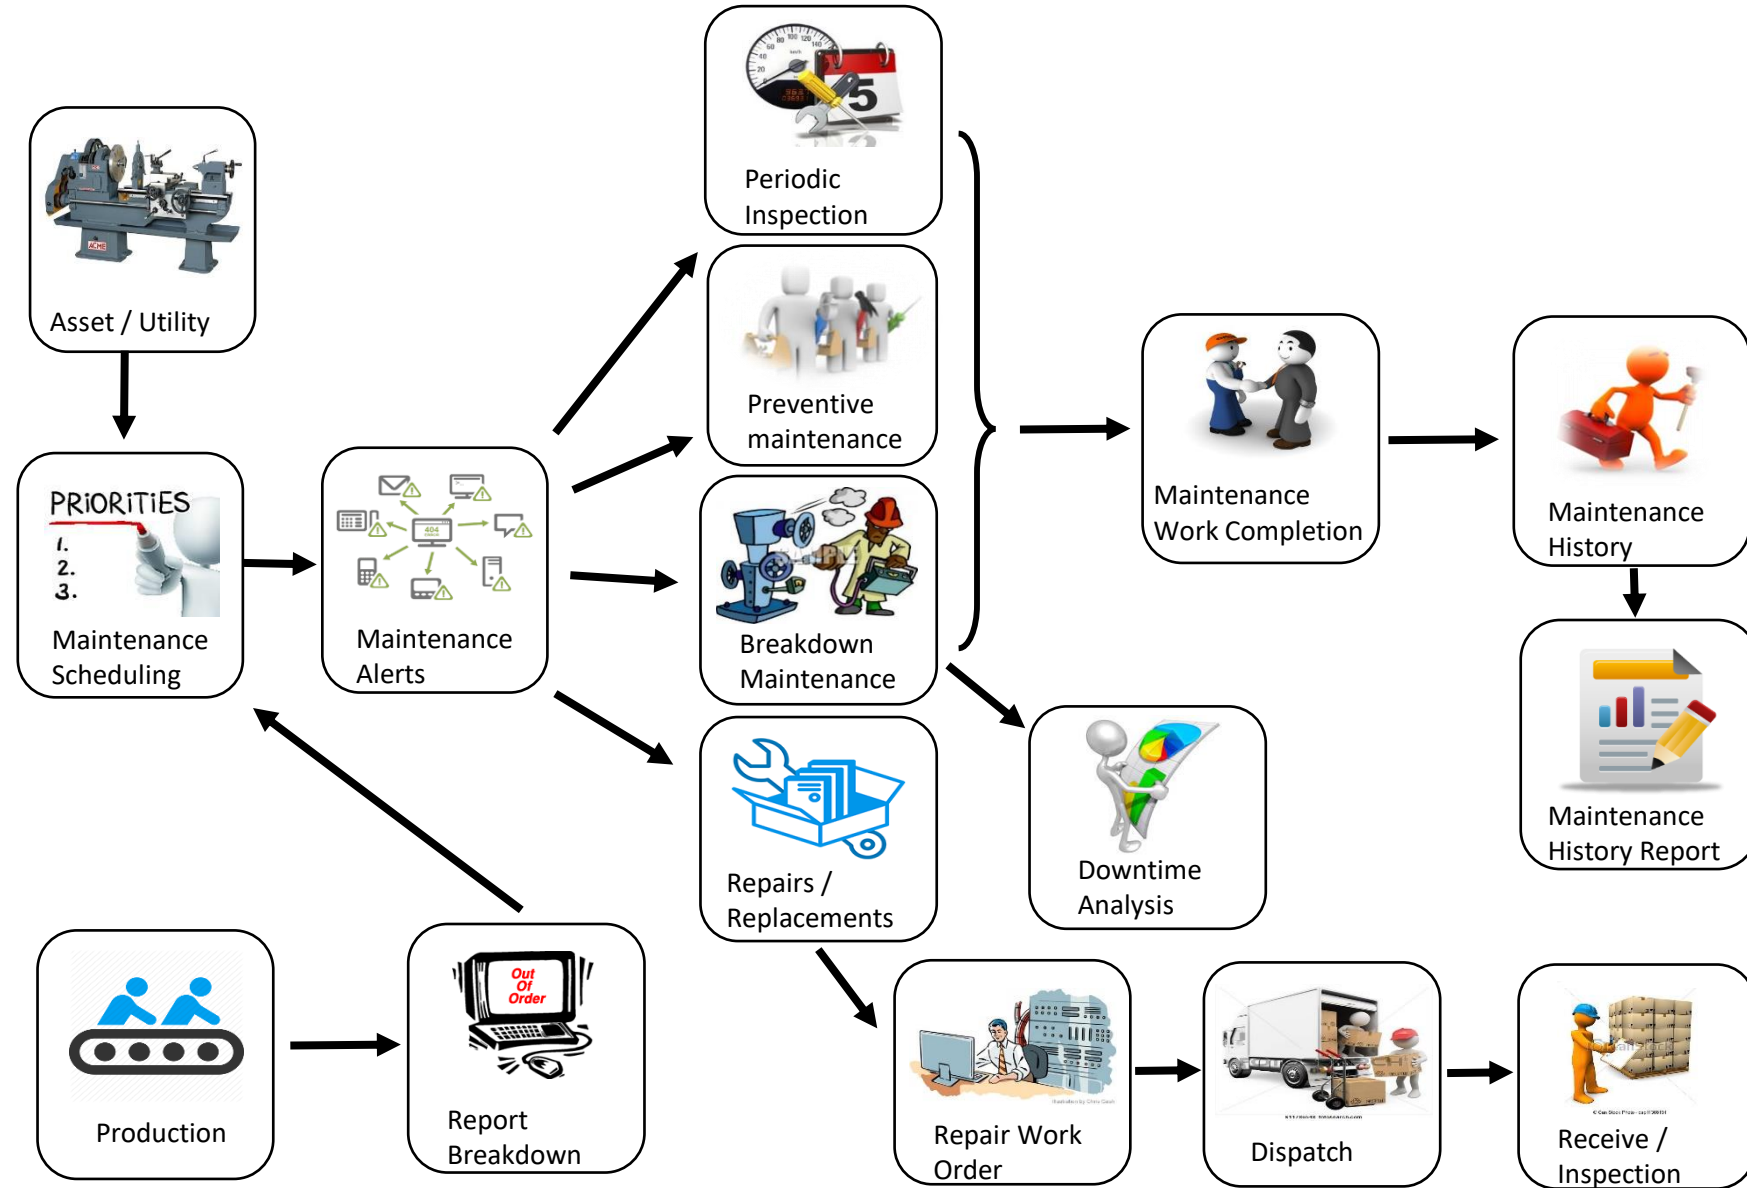

Training Sessions

1500+

Support Hours

2500+

Global Recognition

Recognized as a key player in global inventory and manufacturing market by various independent market research websites.

Orbis Research, USA

Investor Opinion, UK

Status : 🟢

Implementation and Support

Consultation / Analysis

Within the scope of our consultation / analysis we accompany and support you regarding these topics:

- ❖ Requirements Analysis
- ❖ System Analysis
- ❖ Implementation Planning

Post Implementation Support

Within the scope of our consultation / analysis we accompany and support you regarding these topics:

- ❖ Support Portal
- ❖ Email Support
- ❖ Phone Support

Implementation

During the implementation we accompany and support you regarding these topics:

- ❖ Software Configuration
- ❖ Fine-Tuning
- ❖ User-Training (Online / Offline)
- ❖ Training Videos
- ❖ User Practice

Improsys has been identified as on of the top plater is Manufacturing Software Market by various market research reports.
